### Lenten Study Well Attended

During the six Sundays of Lent, several members of the congregation joined together each Sunday morning to participate in the Lenten study, *24 Hours That Changed the World*, a book by Adam Hamilton. Using the book, a video, and other teaching aids, Cathy Purdue led the group in experiencing what it would have been like to walk with Jesus on his final day, sit beside him at the Last Supper, pray with him in Gethsemane, follow him to the cross, desert him, deny him, and best of all to experience the Resurrection. The study gave all a new insight into Jesus' last hours on earth and a better understanding of the Crucifixion and Resurrection.

### Worship Assistants Needed!

The sign-up list is posted on the bulletin board in the Sanctuary. Please help us share God's work!
