Mission Projects

At our last church Board meeting the mission project for the first quarter was chosen. We will be concentrating on helping Haiti. Information will be presented several times and in several different ways on how we will collect and prepare items for “Health Kits” for the earthquake victims.

Worship Assistants Needed!

The sign-up list is posted on the bulletin board at the rear of the Sanctuary. Please join in sharing God’s work!

New Lenten Study

Cathy Purdue will be teaching a Lenten Study during Sunday school at 9:30 each Sunday morning beginning on February 21st and continuing through Palm Sunday, March 28th. The study will review Adam Hamilton’s book, “24 Hours That Changed

The World.” This is the story of Jesus’ last hours on earth and how the events of those few hours changed the world forever. Plan now to enrich your Lenten experience this year by joining us for this study!

Thank You! Thank You!

The Finance Committee wants to thank everyone for their generous giving to the “New Roof Fund.” We have not yet reached our final goal of \$8,000. but at this writing we have collected a total of \$6,200. Plans are underway to contact a roofer and get started on replacing the old roof on our church with a new one. With the continued support of all our members, our final goal is in sight. Keep watching the chart at the church for a weekly update. Thank you!
