UMW News

We will be hosting a May Breakfast on May 8 at 9:00 a.m. in the church fellowship hall. Our cluster churches have been invited to join us as well as the other churches in town. We will have a presentation from "Second Harvest" by Susan Land. This should be a very interesting morning of fellowship. Charity, Hillary, Marilu, and Amy are in charge of the menu. If you aren't contacted to help, please call one of them. We will be receiving RSVP's for a count.

SongFest

After months of trying to get together, an enjoyable afternoon of song was held on March 28. The choir from Richmond Bethel AME Church entertained us. Their songs were from scripture as well as written by one of their members. No microphones were needed as they sang and swayed to CD music accompaniment. Following their songs of praise we enjoyed soup, sandwiches, cookies and drink. All enjoyed the fellowship around the tables as no one seemed to be in a hurry to leave. A thank you card, signed by those at the last board meeting, and a love donation was sent.

May Church Fellowship

Hillary Cheesman will be our hostess for our May 16 Church Fellowship. We will have a carry-in following the morning worship services. Charlie and Cheryl Wilson will present highlights of their Louisiana work trip. Plan on joining us!

Change of Time and Information

Join us for a Grill 'N Carry-In on June 19 at 4:00 p.m. The UMW and Church Fellowship for June are being combined. We will meet at Cathy Purdue's as previously scheduled but with a few changes. Not the time change and including our June church fellowship. Come early, weather permitting, to enjoy swimming or swim after eating. Charity Lumpkin and Patsy Goble will co-hostess with Cathy. We'll have our usual fun and fellowship that always happens when we are invited to Cathy's home in the woods!

We Did It!!!

Just a short time ago the Finance Committee asked for help from our friends and members to raise enough money for a new roof for our church. At the time it seemed like it would take a long time to raise the \$8,000 needed to start replacing the roof. But thanks to everyone who helped, we have gone over the top and now have more than \$8,000. Plans are being made to replace the roof as soon as possible. Our church is blessed to have such a caring and generous congregation. PRAISE THE LORD!
